Mapping Sewer Inequality

Noah Thomas

Bucknell UNIVERSITY

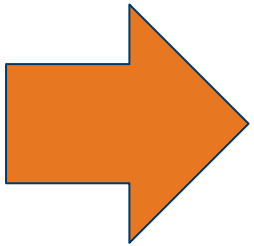

Project Prelude

- The EPA did not formally store their grant data from 1974 - 1980...
- So we did it ourselves
- Transkribus was utilized to get data from pdfs onto a spreadsheet

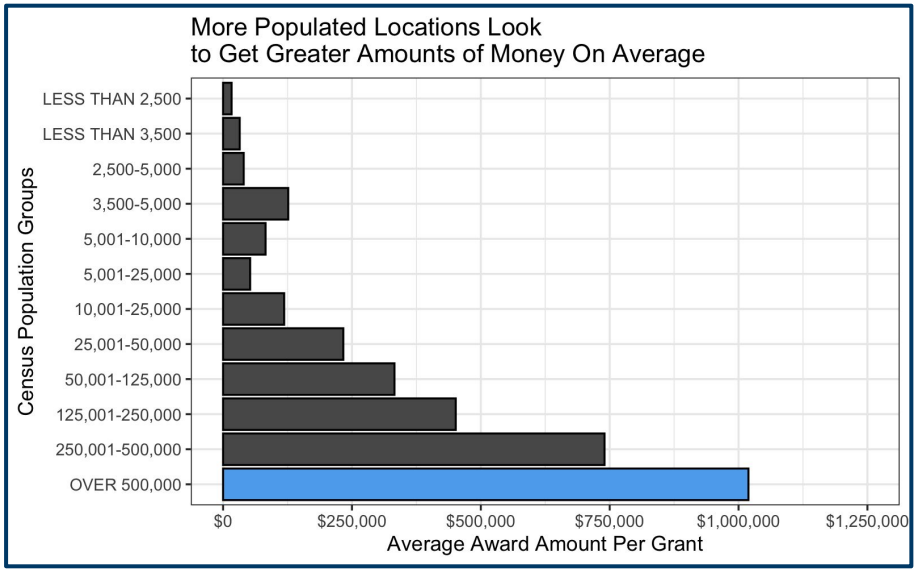

The Cleaning Process

Future Plans

- Keep updating interactive map dashboard

- Make a website that includes all of this information, such that it is easy for users to ask their own questions and utilize our map
